

RAAH  
zindagi ki...

**DISABILITY IS THE  
INABILITY TO SEE  
ABILITY, DON'T LET IT  
HAMPER YOUR DREAMS.**

**Raah is an ngo set up by a group of disabled but like minded people. Founded by Sagar Vyas, the main ambition of team Raah is to create awareness on rare disease and also provide support for physically challenged individual in every way possible and help them to live independently.**

# We Are #teamRAAH

Recognising limitations and leveraging abilities to create an inclusive world.

## – OUR MISSION

To create an empowered community for the disabled where they don't have to think of the barriers that stop them from achieving their dreams.

## – OUR VISION

Our vision is to help disabled people overcome the day-to-day challenges brought by their physically disabled people by providing assistance and support in whichever way possible.

# OUR INITIATIVES

1

## ACCESSIBLE TRAVEL TOURS

Travelling is a huge task even for the abled, and it's a huge question for the disabled.

2

## WHEELCHAIR TRAINING CAMP

A wheelchair serves as the legs of a physically challenged. From electric wheelchairs to manual ones, you can get a stock of wheelchairs in the market.

3

## ONLINE WORK

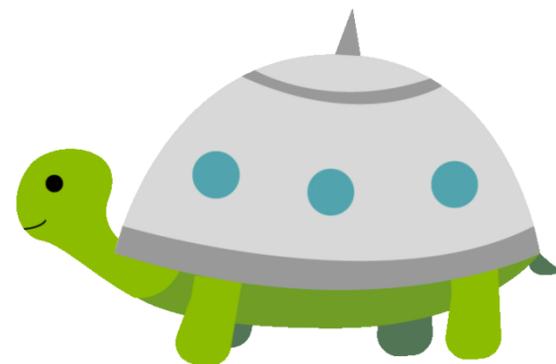

When it comes to working and earning a living, disabled people have to face more challenges as compared to normal people.

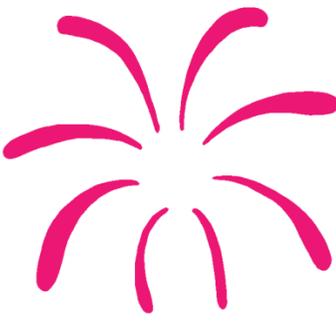

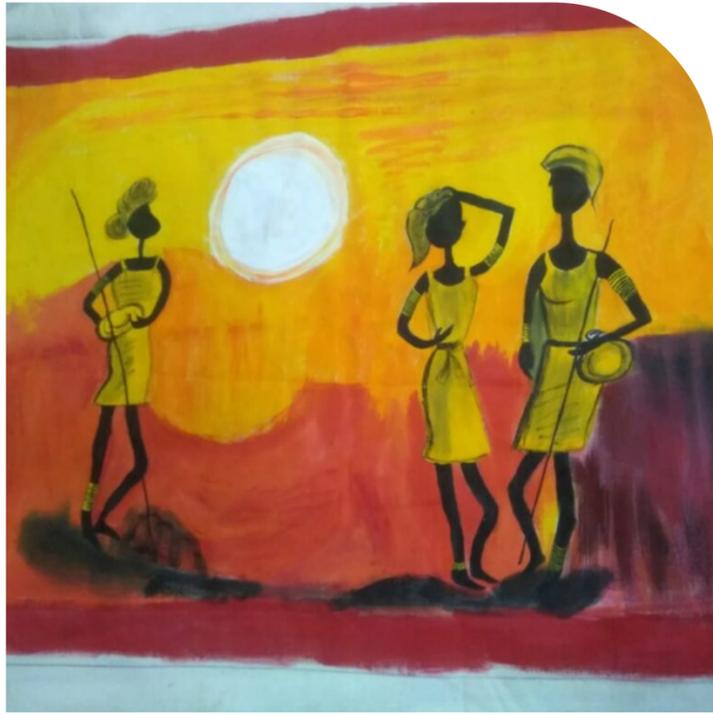

4

## WOMEN EMPOWERMENT

Raah was established with a strong motive to make women with a disability live an independent life and stand on their own.

5

## ART AND CRAFT

Art speaks volumes and knows no limits. It gives wheelchair-bound the wings to fly through their imaginations.

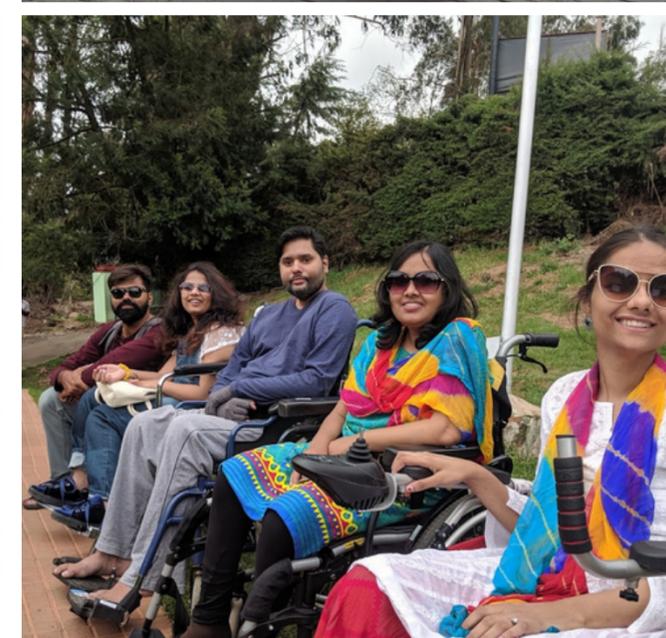

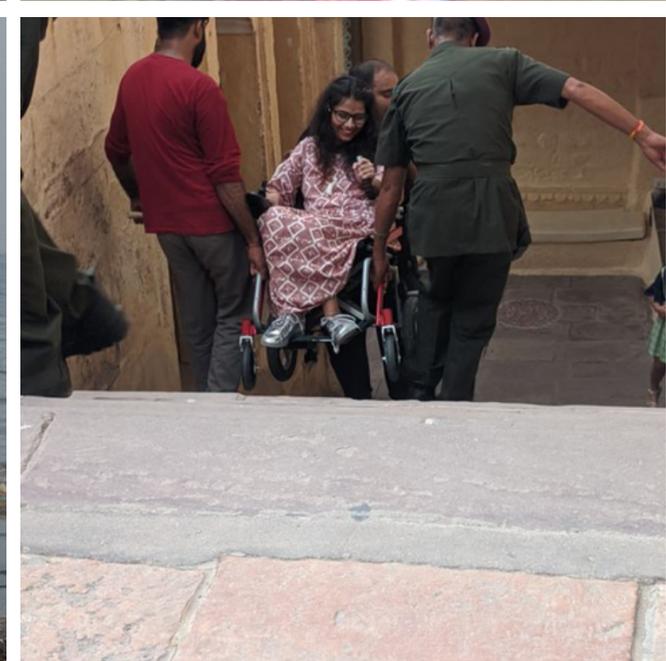

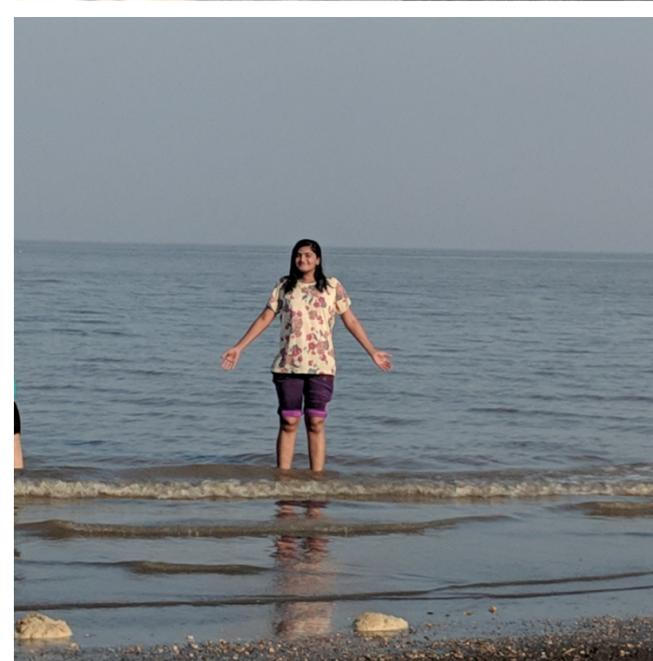

6

## REHAB CENTER

A rehab center for the specially abled is probably an utmost requirement. It offers the particular environment they need to improve their physical symptoms and also to make them mentally stronger.
